

Diversity & Fair Housing Awards

Impact

- What percentage of your members completed diversity & fair housing-related education, such as Fairhaven or Bias Override?
- What type of classes, webinars, podcasts, or events has your board hosted or promoted this year?
- Does your board have a standing committee related to diversity & fair housing initiatives?
- What percentage of members engage with diversity & fair housing focused initiatives?
- Describe your board's diversity & fair housing related community partnerships and initiatives. What measurable impact have they had?

Innovation

- Describe one innovative diversity & fair housing initiative that was implemented since last November 15 and what made it unique.
- How did you engage/market with your members?
- How were members involved in designing or executing the program?
- Is your initiative ongoing or scalable?
- What lessons did you learn, and how will they inform future efforts?
- Supply any collateral related to the event that would support the innovativeness of this initiative.
