

AEs,

Below is a message we received from TREC that will be posted on the TREC REALM Portal login page and, when the websites are unavailable, a message as well until after all updates are complete.

The [Real Estate and Appraiser License Management Portal](#) vendor scheduled technical updates for this week, and TREC is also planning an infrastructure update that affects the agency's websites.

These updates are scheduled during low-usage time periods and should not disrupt major systems. However, should any members encounter issues, they may be related to these scheduled periods of maintenance, and you might wish to return to these online tools at times other than those listed here.

REALM Portal Maintenance

- May 6 starting at 12 a.m. (midnight) to 5 a.m. CT
- May 7 starting at 9 p.m. CT through 1 a.m. CT on May 8

TREC Website

- May 8 at 6:30 p.m. CT until 1 a.m. CT May 9\*

\*The REALM Portal will be available to use during this maintenance period.
