

Special Notice on Elections Due to Governance Changes

Due to the consideration of bylaws changes affecting the governance structure of Texas REALTORS® at the 2027 Winer meeting, the Regional Vice President election cycle for 2028 will be postponed until after that time. Applications will open February 22, 2027, and close March 22, 2027. The Credentials Committee and Texas REALTORS® will manage the interview, recommendation, and election cycle in the late Spring through early Summer. An electronic vote of the Board of Directors to approve the slate of recommended persons to fill RVP seats will occur prior to the 2027 Shaping Texas Conference. RVPs elected for the coming year will still be installed as usual the Conference. The regular deadline cycle will resume for 2029 RVP positions.
