

I'm very sad to share the heartbreaking news that our friend and colleague Michael Reeves has passed away after suffering a serious medical event earlier this week.

Michael had been part of the Texas REALTORS® family for more than eight years, serving as our Field Representative for West Texas. He brought tremendous enthusiasm, talent, and dedication to his work and to the members he served throughout West Texas and across the state.

More than that, Michael was a good colleague and a good friend. He was always one of the first people to offer a hand whenever he had the opportunity. He cared deeply about our members, our local associations, and the people he worked alongside.

Michael's wife reminded us that he loved working for and with Texas REALTORS®, and his job brought him a great deal of happiness. I hope his family knows that the feeling was mutual. Michael meant a great deal to this organization and to the many people whose lives he touched through his work.

I know this will be difficult news for many of you, particularly those who worked closely with Michael over the years. Please take care of yourselves and one another in the days ahead.

Michael's memorial service will be held at 2:00 p.m. on Wednesday, September 30, at First United Methodist Church in Lubbock. Please keep Michael's wife, family, friends, and colleagues in your thoughts and prayers during this very difficult time.

Sincerely,
Mike Barnett
