

Hi Friends,

I've announced my retirement as Vice President of Legal Affairs and General Counsel of Texas REALTORS®. My last day in this role will be February 28, 2027. It's been an absolutely wonderful professional journey over the last 20 years and I've thoroughly enjoyed being part of the REALTOR® family. I have a unique opportunity at this point in my life to do some different things, and it, surprisingly, feels like the right time.

But because I love this industry and especially the people in it—and let's be honest, I'm likely not ready to be idle on the work front—I'm taking on a new role. I'll be serving as the Broker Outreach Advisor to Texas REALTORS®. I'm excited to be a part of the effort to strengthen Texas REALTORS®' relationships with brokers across Texas and help ensure that our programs, communications, and services meet their evolving needs. I've spent 20 years doing just that, providing legal information (not advice!) to brokers in Texas and I'm excited to continue these relationships in this new role. Continuing to work alongside Texas REALTORS® staff is icing on the cake.

My husband, Joshua, is continuing his work as the Disability & Inclusion Youth Manager at the Shalom Austin Jewish Family Service organization, a role he loves and perfectly fits his 20+ years of experience working to ensure programs exist for youth of all abilities. Our kids are both off to college now, Shayna is a junior at Tufts University in Boston, and Noah is a freshman at Elon University in North Carolina. So I'll be exploring Austin, traveling with my mom and enjoying life in new ways, while still getting to do the professional thing I love, helping real estate brokers. I still remember interviewing with the association over 20 years ago and beginning my tenure here. It's been an amazing ride. Thank you for being a part of it.

I look forward to seeing you in this next adventure!

Warmest wishes,

Lori Levy, RCE, AHWD
