

Member Committee Referral Process

If an AE, local association staff and/or Texas REALTOR® member would like to refer or “endorse” another member for a specific committee, this is how they would complete that process, so the referral is properly attached to the member’s committee application.

The individual submitting the referral does not need to sign up for a committee to provide a referral; however, the member being referred must have already submitted their application for the committee(s) they are being recommended for.

First, they will go to our website to our [committees page](#) (please ensure they are signed into the website before proceeding).

From there, they will click on **“I Want to Volunteer.”** (see screenshot below)

Committees

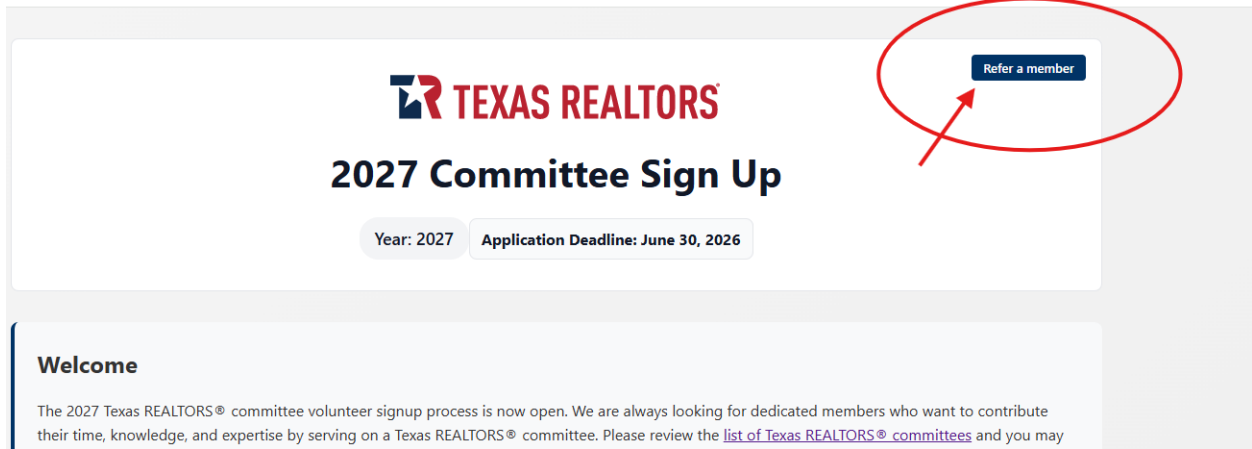

Committee sign ups for 2027 are now open!

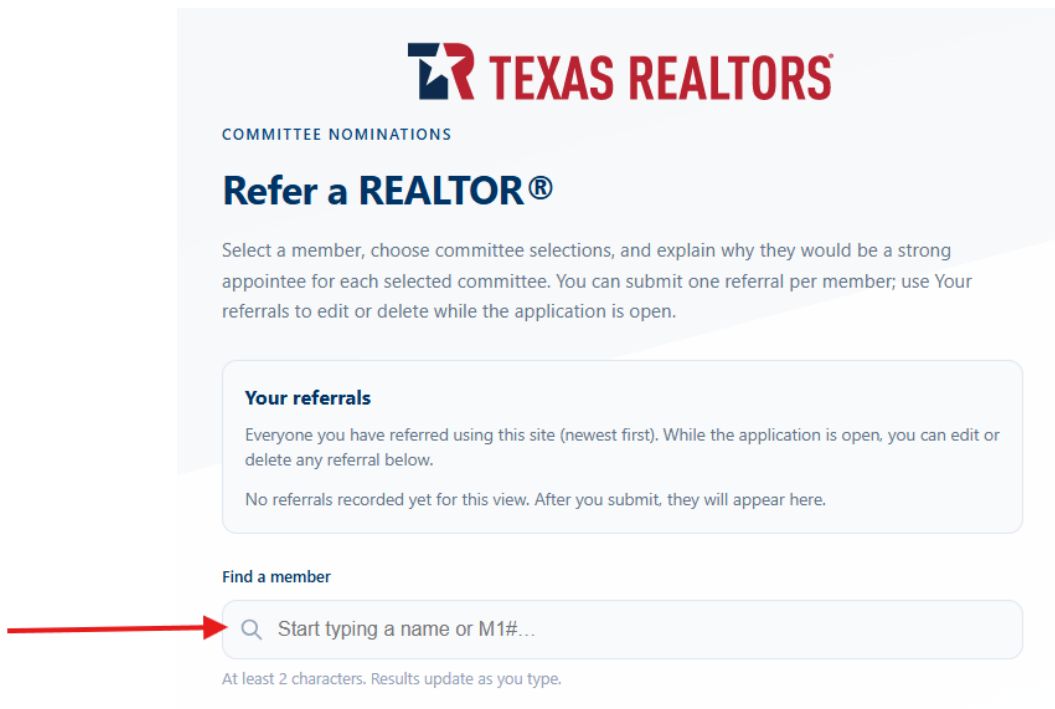

Every year, thousands of REALTORS® make a difference by volunteering at their local, state and national REALTOR® associations

I want to volunteer!

This will take them to the next page, where they will select “Refer a member” located in the upper right-hand corner.

Once selected, they will enter the member’s name or M1 number, then choose the committee(s) they want to refer the member to and add rationale. Then click on "**Submit Referral**" at the bottom.

Find a member

Member Benefits Committee MLS & Technology Committee Professional Development Committee

0 selected · click to toggle

Select at least one committee to add rationale.

Submit referral

Please note: This is not the same process that you, as staff committee liaisons, will use for submitting committee recommendations. That separate process and program after committee sign-ups have closed.

If you have any questions or need further assistance, please do not hesitate to reach out to [Jazz Lough](#) directly.

If any member has any questions regarding the committee sign up process, feel free to have them reach out to **committees@texasrealtors.com**
